Solid State Circus

On Wednesday the 11th of March the Young Australian Workshop Education will be visiting Baradine Central School to present an exciting program.

Solid State Circus is a show suitable for all students aged K-6 and will be held in the school hall at 2.00pm.

Students will be amazed in this tightly packed, high energy show which will feature an array of circus skills, including a mini tramp, juggling and a high level of acrobatics! A dynamic, inspirational trio of performers, Hemlock, Luth and Ty will reinforce the ‘healthy mind, healthy body’ theme that is promoted in many schools. The program is very educational, yet highly entertaining.

The cost will be $5 per student + $2 bus travel

Please return the permission note and full payment by the 10th of March to allow your child to attend this performance.

Change of date:

Please be advised that the P&C Meeting will now run on Wednesday the 18th March to avoid it clashing with the Solid State Circus Workshop.
